Dear Mr. Haviland:

Your letter of 19 October 1960 regarding a small luncheon or cocktail party for Mr. Dulles during his visit to Kansas City on 11 November arrived just after he departed for Europe on a brief trip. He plans to return the first part of November and I will bring your invitation to his attention at that time.

Sincerely,

Dear Allen,

I have learned that Mr. Stevenson of Hallmark has arranged for you to address the November 11 dinner of the Kansas City Association for International Relations and Trade. Mary and I are very hopeful that Mrs. Dulles will accompany you and that you will give us the privilege of having a small luncheon or cocktail party for you and Mrs. Dulles while you are in Kansas City.

Sincerely yours,

John G. Haviland
